

# Brandon

DOB 01/19/2009

## Meet Brandon!

Brandon is a young, energetic boy, who is polite, friendly and like to laugh. His smile is contagious and likes to be center of attention. He enjoys climbing trees, planting gardens, and playing video games. Brandon is in need of a forever home that is patient but structured. Brandon struggles with boundaries and lack of attention at times. Brandon would benefit from a two parent home where he could be the center of attention!
